

Working Space

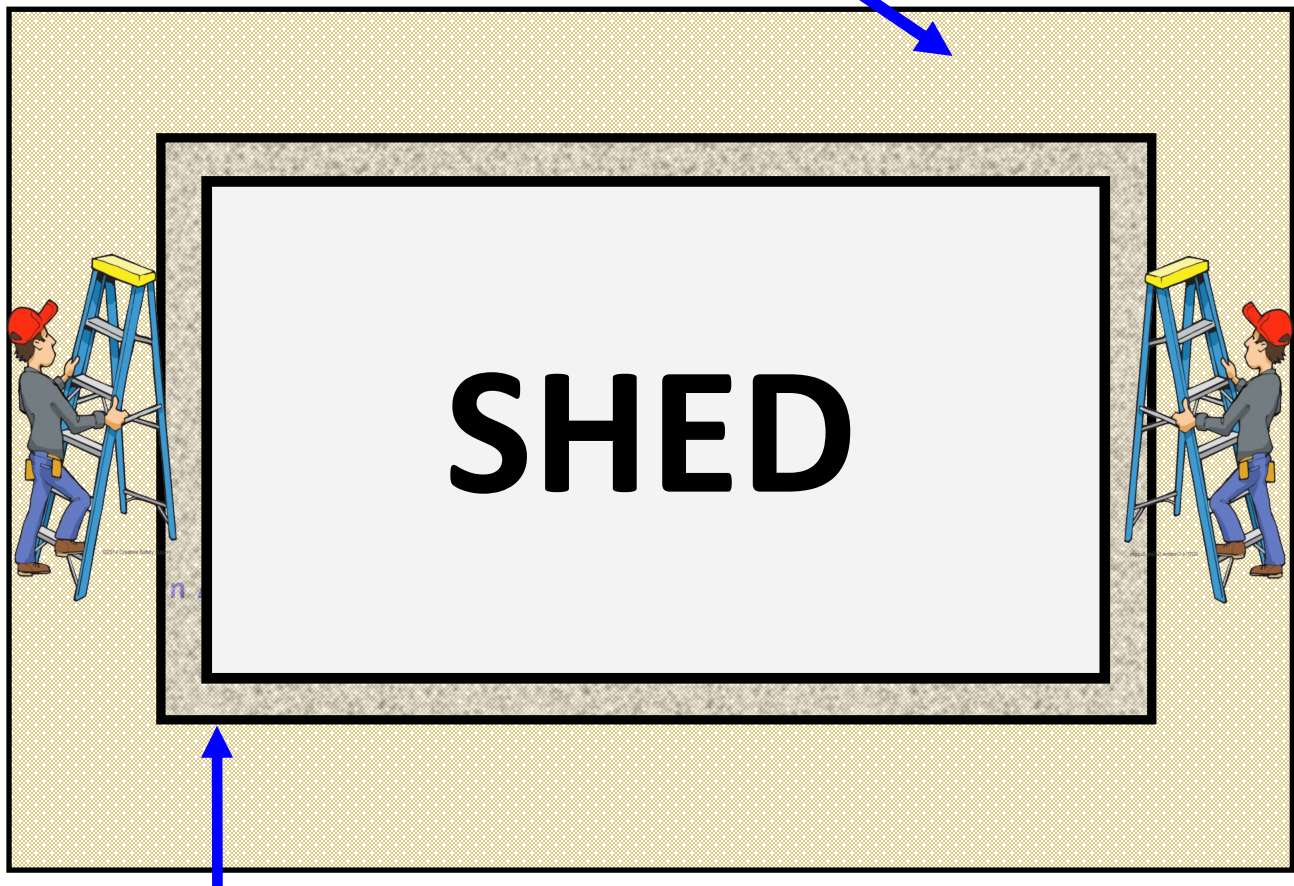

ALL Sheds Installations Require

3' CLEAR & LEVEL Working Space
&
75' Truck & Trailer Parking Space

Remove Dog Poop

Total 3'-Foot LEVEL Working Space around ALL four sides of the shed. This space should be free of rocks, trenches, debris.

1-Foot Crushed Stone Apron around ALL four sides of the shed.

This will enhance the longevity of the shed by reducing moisture from wicking into the sheathing.
